Subject: CONDUCT OF MDCAT ON 16TH AUGUST, 2026

Dear Sir,

It is informed that Pakistan Medical & Dental Council (PM&DC) has announced the conduct of Medical and Dental Colleges Admission Test (MDCAT) on **16th August, 2026** across Pakistan, with one international centre in the Kingdom of Saudi Arabia.

It has been reported that some of the Boards of Intermediate Education have planned practical examinations of the students very close to the MDCAT date.

The IBCC is requested to advise the concerned Board authorities to adjust the schedule of practical examinations, that does not coincide with the date of MDCAT in the best interest of the aspiring medical students.

Thanks and regards,

Registration Officer
